Hey guys!

I've just encountered an issue and am not sure how to fix it:

I just wanted to hide this particular label:

But when I go to **Analysis -> Table Layout -> Show Field Label For Rows**

(which I want to untick), It's greyed out:

✓ Hi Peter,

That is the axis title.

To hide it. Right-click on the axis title, and select "Edit Axis".

Median House Price

2M —

Edit Axis...
Clear Axis Range

Select Marks

Format...
✓ Show Header

Add Reference Line

0M

2010   2011   2012
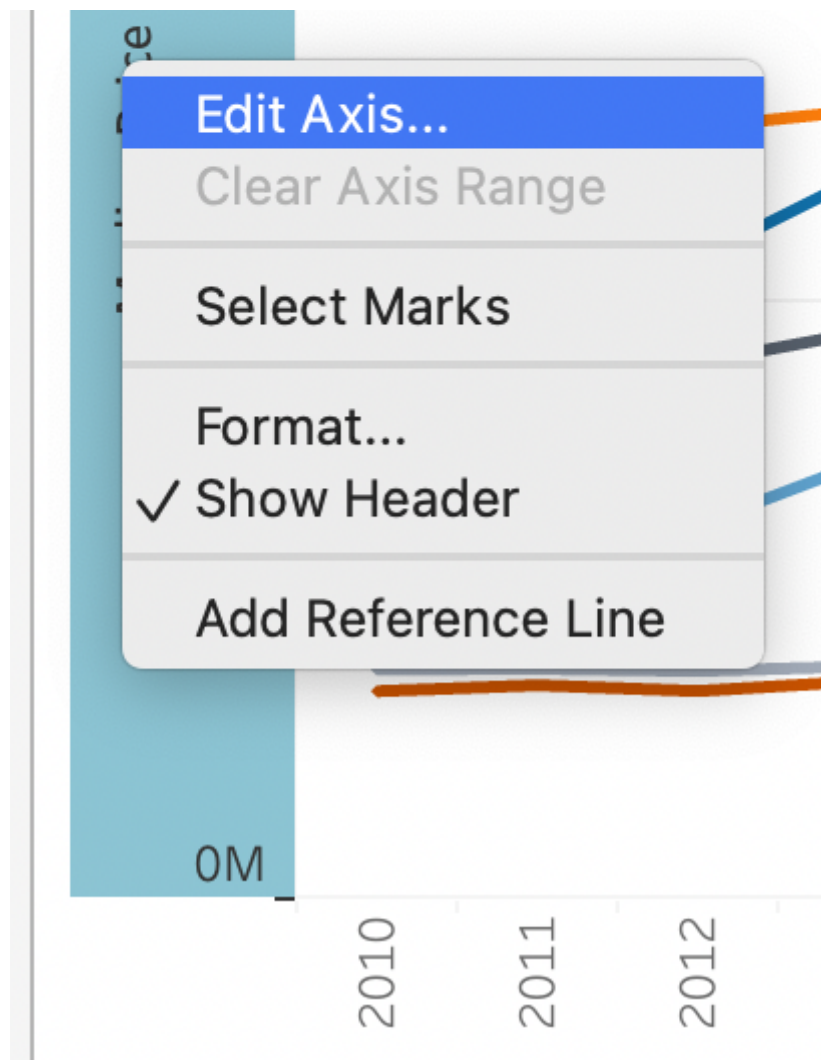

Then under "Axis Titles", remove the text for "Median Price".

Edit Axis [Median Price]   ✕

General   Tick Marks

Range

⦿ Automatic   ☑ Include zero
◯ Uniform axis range for all rows or columns
◯ Independent axis ranges for each row or column
◯ Fixed
